Secondary School Examination February - 2025
SUBJECT NAME: Social Science SUBJECT CODE 087 PAPER CODE 32/1/1

General Instructions: -

1. You are aware that evaluation is the most important process in the actual and correct assessment of the candidates. A small mistake in evaluation may lead to serious problems which may affect the future of the candidates, education system and teaching profession. To avoid mistakes, it is requested that before starting evaluation, you must read and understand the spot evaluation guidelines carefully.
2. **“Evaluation policy is a confidential policy as it is related to the confidentiality of the examinations conducted, Evaluation done and several other aspects. Its’ leakage to public in any manner could lead to derailment of the examination system and affect the life and future of millions of candidates. Sharing this policy/document to anyone, publishing in any magazine and printing in News Paper/Website etc may invite action under various rules of the Board and IPC.”**
3. Evaluation is to be done as per instructions provided in the Marking Scheme. It should not be done according to one’s own interpretation or any other consideration. Marking Scheme should be strictly adhered to and religiously followed. **However, while evaluating, answers which are based on latest information or knowledge and/or are innovative, they may be assessed for their correctness otherwise and due marks be awarded to them. In **Class-X**, while evaluating two competency-based questions, please try to understand given answer and even if reply is not from marking scheme but correct competency is enumerated by the candidate, due marks should be awarded.**
4. The Marking scheme carries only suggested value points for the answers. These are in the nature of Guidelines only and do not constitute the complete answer. The students can have their own expression and if the expression is correct, the due marks should be awarded accordingly.
5. The Head-Examiner must go through the first five answer books evaluated by each evaluator on the first day, to ensure that evaluation has been carried out as per the instructions given in the Marking Scheme. If there is any variation, the same should be zero after deliberation and discussion. The remaining answer books meant for evaluation shall be given only after ensuring that there is no significant variation in the marking of individual evaluators.
6. Evaluators will mark(✓) wherever answer is correct. For wrong answer CROSS ‘X’ be marked. Evaluators will not put right (✓)while evaluating which gives an impression that answer is correct and no marks are awarded. **This is most common mistake which evaluators are committing.**
7. If a question has parts, please award marks on the right-hand side for each part. Marks awarded for different parts of the question should then be totaled up and written in the left-hand margin and encircled. This may be followed strictly.
8. If a question does not have any parts, marks must be awarded in the left-hand margin and encircled. This may also be followed strictly.
9. If a student has attempted an extra question, answer of the question deserving more marks should be retained and the other answer scored out with a note **“Extra Question”**.
10. No marks to be deducted for the cumulative effect of an error. It should be penalized only once.
11. A full scale of marks ____ 80 ____ (example 0 to 80/70/60/50/40/30 marks as given in Question Paper) has to be used. Please do not hesitate to award full marks if the answer deserves it.
12. Every examiner has to necessarily do evaluation work for full working hours i.e., 8 hours every day and evaluate 20 answer books per day in main subjects and 25 answer books per day in other subjects (Details are given in Spot Guidelines).
13. Ensure that you do not make the following common types of errors committed by the Examiner in the past:- Giving more marks for an answer than assigned to it.

	<ul style="list-style-type: none"> • Wrong totaling of marks awarded on an answer. • Wrong transfer of marks from the inside pages of the answer book to the title page. <p>Wrong question wise totaling on the title page.</p> <ul style="list-style-type: none"> • Leaving answer or part thereof unassessed in an answer book. • Wrong totaling of marks of the two columns on the title page. • Wrong grand total. • Marks in words and figures not tallying/not same. • Wrong transfer of marks from the answer book to online award list. • Answers marked as correct, but marks not awarded. (Ensure that the right tick mark is correctly and clearly indicated. It should merely be a line. Same is with the X for incorrect answer.) • Half or a part of answer marked correct and the rest as wrong, but no marks awarded.
14.	While evaluating the answer books if the answer is found to be totally incorrect, it should be marked as cross (X) and awarded zero (0) Marks.
15.	Any un assessed portion, non-carrying over of marks to the title page, or totaling error detected by the candidate shall damage the prestige of all the personnel engaged in the evaluation work as also of the Board. Hence, in order to uphold the prestige of all concerned, it is again reiterated that the instructions be followed meticulously and judiciously.
16.	The Examiners should acquaint themselves with the guidelines given in the “ Guidelines for spot Evaluation ” before starting the actual evaluation.
17.	Every Examiner shall also ensure that all the answers are evaluated, marks carried over to the title page, correctly totaled and written in figures and words.
18.	The candidates are entitled to obtain photocopy of the Answer Book on request on payment of the prescribed processing fee. All Examiners/Additional Head Examiners/Head Examiners are once again reminded that they must ensure that evaluation is carried out strictly as per value points for each answer as given in the Marking Scheme.

34	<p>Read the given source and answer the questions that follow:</p> <p style="text-align: center;">Print and Censorship</p> <p>The power of the printed word is most often seen in the way governments seek to regulate and suppress print. The colonial government kept continuous track of all books and newspapers published in India and passed numerous laws to control the press. During the First World War, under the Defence of India Rules, 22 newspapers had to furnish securities. Of these, 18 shut down rather than comply with government orders. The Sedition Committee Report under Rowlatt in 1919 further strengthened controls that led to imposition of penalties on various newspapers. At the outbreak of the Second World War, the Defence of India Act was passed, allowing censoring of reports of war-related topics. All reports about the Quit India movement came under its purview. In August 1942, about 90 newspapers were suppressed.</p> <p>(34.1) Explain the meaning of 'censor'.</p> <ul style="list-style-type: none"> (i) Censor means tracking of all books and newspaper published. 35	<p>Read the given source and answer the questions that follow:</p> <p style="text-align: center;">An Experiment in Brazil</p> <p>A city called Porto Alegre in Brazil has carried out an extraordinary experiment in combining decentralisation with participative democracy. The city has set up a parallel organisation operating alongside the municipal council, enabling local inhabitants to take real decisions for their city. The nearly 13 lakh people in this city get to participate in making the budget for their own city. The city is divided into many sectors or what we call wards. Each sector has a meeting, like that of the gram sabha, in which anyone living in that area can participate. There are some meetings to discuss issues that affect the entire city. Any citizen of the city can participate in those meetings. The budget of the city is discussed in these meetings. The proposals are put to the municipality that takes a final decision about it.</p> <p>(35.1) Explain the meaning of 'participatory democracy'.</p> <p>(i) Participatory democracy means participation or direct involvement in decision making process.</p> <p>(35.2) In the context of separation of powers, the given example defines which type of government?</p> <p>(i) Local Self Government.</p> <p>(35.3) Describe the structure of the system in India which is almost similar to the above example of Brazil.</p> <p>(i) Local Self Government- Panchayati Raj, Municipality and Municipal Corporation.</p>	26 P	<p>1</p> <p>1</p> <p>2</p>

36	<p>Read the given source and answer the questions that follow:</p> <p style="text-align: center;">Loans from Cooperatives</p> <p>Besides banks, the other major source of cheap credit in rural areas are the cooperative societies (or cooperatives). Members of a cooperative pool their resources for cooperation in certain areas. There are several types of cooperatives possible such as farmers cooperatives, weavers cooperatives, industrial workers cooperatives, etc. Krishak Cooperative functions in a village not very far away from Sonpur. It has 2300 farmers as members. It accepts deposits from its members. With these deposits as collateral, the Cooperative has obtained a large loan from the bank. These funds are used to provide loans to members. Once these loans are repaid, another round of lending can take place. Krishak Cooperative provides loans for the purchase of agricultural implements, loans for cultivation and agricultural trade, fishery loans, loans for construction of houses and for a variety of other expenses.</p> <p>(36.1) Cooperative societies come under which source of credit?</p> <p>(i) Formal sources of credit</p> <p>(36.2) Mention any two sources of capital of cooperative societies.</p> <p>(i) Deposits from the members of the cooperative</p> <p>(ii) With the deposit as collateral the co-operatives obtain large loans from banks.</p> <p>(iii) Interest earned on loans given by Cooperatives.</p> <p>(iv) Any other relevant point.</p> <p style="text-align: center;">Any two points to be mentioned.</p> <p>(36.3) Explain the role of cooperative societies in increasing the income of farmers.</p> <p>(i) Co-operative societies provide loans on low interest rates which can be further used for increasing crop production.</p> <p>(ii) They also give interest on deposits. This promotes small saving habits for the farmers.</p>	47 E	<p>1</p> <p>$\frac{1}{2} + \frac{1}{2} = 1$</p> <p>2</p>
